**CANCELLATION NOTICE**

**LAPD 5330.9**, "Metrology and Calibration," dated January 10, 1991, is canceled. The overarching NASA prescribing policy directive, "NMI 5330.9, has been replaced with NPD 8730.1, "Metrology and Calibration." NPD 8730.1 is being implemented by processes LMS-CP-506 and LMS-CP-510.

There is no overarching policy or regulation that requires this directive.
